2. Description of the main features of the credit product

The type of credit	Consumer credit
The total amount of credit <i>This means the ceiling or the total sum made available under the credit agreement.</i>	1,000-5,000 euros
The conditions governing the drawdown <i>This means how and when you will obtain the money.</i>	<p>In order to have the possibility to be granted a loan a person shall:</p> <ul style="list-style-type: none">- have full legal capacity and be at least 21 years of age;- have been living permanently in Finland for at least two years;- have regular income;- have provided Fixura necessary information required to evaluate creditworthiness;- have flawless history of credit data and- not be a board member of a company with payment default entries. <p>Fixura reserves the right to prevent a borrower from borrowing if the person does not comply with the requirements.</p> <p>Fixura transfers the granted amount to the bank account that the borrower has specified within a few days after a positive loan decision has been made.</p>
The duration of the credit agreement	The loan period is 1-5 years.
Installments and, where appropriate, the order in which installments will be allocated	<p>The borrower pays the monthly installments as agreed in the loan agreement. Amount, due date and repayment period according to the agreement.</p> <p>The instalments are paid at the latest on the due date. The installments consist of interest, capital, loan account fee and of payment for possible additional services. Payments from the borrower are first allocated to interest and loan</p>

	capital that have fallen due, thereafter to collection agency fees and other charges as well as potential delay interest on such fees and charges.
The total amount you will have to pay <i>Refers to the amount of the loan principal, interest and other expenses related to your credit.</i>	Total amount to pay according to agreement. Example 1 A loan of 4.000,00 € is granted to the borrower, the loan period is 2 years and the nominal interest rate is 15.00 % and the loan account fee 12,00 € /month. The APR is then 23.43 % and the total amount to pay is 4,942.80 €
Security required <i>This is a description of the security to be provided by you in relation to the credit agreement.</i>	No security

3. Costs of the credit

The borrowing rate	Interest is 15.00-19.90% of the credit amount. Loan interest includes the reference rate referred to in Section 12 of the Interest Act (633/1982). Reference rate is 4.00% as of 01.07.2023 and this is checked twice a year, on first day of January and July.
Annual Percentage Rate of Charge (APR) <i>This is the total cost of the credit expressed as an annual percentage of the total amount of credit. The APR is there to help you compare different offers.</i>	The APR varies between 17.41% - 28.21%. The interest is paid according to agreement. The APR has been calculated when the credit agreement was made under the assumption that the whole credit would be drawn down at once, fees and interest are unchanged during the whole duration of the loan and that the credit will be repaid in monthly instalments according to the agreement. All the fees regarding the loan according to the agreement have been taken into account in the calculation.
Is it compulsory, in order to obtain the credit or to obtain it on the terms and conditions marketed, to take out - an insurance policy securing the credit, or - another ancillary service contract? <i>If the costs of these services are not known by the lender, they are not included in the effective interest.</i>	No No

Related costs	
Other costs related to the credit agreement	<p>The loan account fee is 0.01 % per day of the original Loan amount. The loan account fee is separately defined for each Loan and will be charged as 0.30 % monthly or 3.65 % yearly. The fees for each Loan can be a total of 150.00 euros per year. Possible additional services are charged according to the Price List.</p> <p>The above-mentioned fees are exclusive of VAT since the operations are not subject to VAT.</p>
<p>Costs in the case of late payments</p> <p><i>Missing payments could have severe consequences (e.g. forced sale) and make obtaining credit more difficult.</i></p>	<p>If monthly installments are not paid on the due date at the latest, the borrower has to pay penalty interest on the delayed amount from the due date up to the payment date according to the Interest Act 4 § section 1.</p> <p>If the penalty interest defined as above is lower than the interest paid for the loan prior to the due date, penalty interest must be paid according to the Interest Act 4 § section 2, in accordance with the same grounds as prior to the due date during the loan term and after the loan is overdue for a maximum of one hundred and eighty (180) days.</p> <p>A fee of 5.00 euros is charged for a payment reminder.</p> <p>If the total amount of unpaid invoices exceeds 5% of the original loan amount or more, the entire loan becomes due and payable. Collection agency fees and penalty interest are added to cases that are brought to collection.</p> <p>Continued unpaid repayments may lead to legal proceedings and might result in payment default entries if the case is brought to enforcement collection. Payment default entries may reduce the chances of getting credit in the future.</p>

4. Other important legal aspects

<p>Right of withdrawal</p> <p><i>You have the right to withdraw from the credit agreement within a period of 14 calendar days.</i></p>	Yes
<p>Early repayment</p> <p><i>You have the right to repay the credit early at any time in full or partially.</i></p>	Yes

	<p>The borrower is entitled to repay the entire loan earlier than what originally agreed in the original payment plan.</p> <p>Upon early repayment, the borrower is liable to pay the outstanding loan capital, incurred but unpaid interest, incurred but unpaid loan account fee and the opening costs of the Loan specified in the Loan Agreement.</p> <p>The borrower is not liable to pay loan account fees or interest for the remaining loan period originally agreed upon.</p> <p>We ask the borrower to contact customer support before the final payment.</p> <p>If the borrower wishes to pay a larger amount than the invoiced amount to reduce the loan capital, the borrower may raise the invoiced total amount and pay accordingly, using the current reference number.</p>
